ABOUT US

OUR JOURNEY · OUR COMMITMENT · YOUR TRUST

Saudi Canadian Company for Contracting Decoration is a Saudi-based company specialized in providing high-quality decoration and finishing solutions for commercial, institutional, and public projects. Since our establishment, we have been committed to delivering exceptional workmanship, reliable services, and innovative solutions that meet the evolving needs of our clients.

With a focus on quality, precision, and professionalism, we work to create functional and inspiring spaces that add value and support the success of the projects we undertake. Our experienced team, strong partnerships, and dedication to excellence have enabled us to build long-term relationships with leading government entities and private sector organizations across the Kingdom.

QUALITY

We deliver durable and reliable solutions with attention to every detail.

PEOPLE

Our success is built on a skilled team and strong relationships with our clients and partners.

INNOVATION

We embrace modern solutions to create better, smarter and more sustainable spaces.

TRUST

We uphold integrity, transparency and commitment in everything we do.

OUR VISION

To be the preferred partner in the field of contracting and decoration, recognized for our quality, innovation, and contribution to building better spaces for a sustainable future.

OUR MISSION

To provide high-quality decoration and finishing solutions through professional execution, reliable partnerships, and a commitment to exceeding our clients' expectations.

OUR VALUES

- Quality in every detail
- Integrity and transparency
- Customer focus
- Teamwork and respect
- Continuous improvement

DECORATION CONTRACTING COMPANY

BATHROOM
DOORS & PARTITIONS
FROM PHENOLIC MATERIAL

Our phenolic bathroom doors and partitions are engineered for superior performance in high-traffic, high-humidity environments. They combine durability, hygiene and modern design for spaces that stand the test of time.

WATER & MOISTURE RESISTANT
Perfect for wet areas. Will not swell, warp or delaminate.

HIGH DURABILITY
Impact, scratch & wear resistant. Built for heavy use.

HYGIENIC
Non-porous surface prevents bacteria growth and is easy to clean.

FIRE RETARDANT
Meets fire safety standards for enhanced safety and peace of mind.

ECO FRIENDLY
Made from sustainable materials and 100% recyclable.

PHENOLIC MATERIAL

Phenolic is a high-pressure laminated (HPL) material made with resin-impregnated kraft paper, compressed under high heat and pressure to create a solid, dense and non-porous surface.

- Excellent resistance to water, humidity and chemicals
- Color stability and UV resistance
- Low maintenance and long service life
- Available in a wide range of colors and finishes
- Vandal resistant and extremely durable

IDEAL APPLICATIONS

Public Toilets

Schools & Universities

Gyms & Sports Clubs

Hospitals & Clinics

Shopping Malls

Airports & Transport Facilities

**SMART MATERIAL.
STRONGER SPACES.**

www.sa-ca.net

SAUDI CANADIAN
DECORATION CONTRACTING COMPANY

PHENOLIC MATERIAL
CHARACTERISTICS & FEATURES

Phenolic is a high-pressure decorative laminate (HPL) made by compressing layers of kraft paper impregnated with phenolic resin under intense heat and pressure. It produces a tough, dense, non-porous panel that delivers exceptional performance in demanding environments.

KEY FEATURES

WATER & MOISTURE RESISTANT
Non-porous surface that prevents water absorption and is ideal for wet and humid areas.

HIGH DURABILITY
Resistant to impact, scratches, abrasion and wear, ensuring long-lasting performance.

HYGIENIC & EASY TO CLEAN
Non-porous surface inhibits bacterial growth and allows for easy cleaning and maintenance.

FIRE RETARDANT
Meets fire safety standards with low flame spread and smoke development.

UV & COLOR STABILITY
Excellent resistance to UV rays and fading, keeping colors vibrant for years.

CHEMICAL RESISTANT
Resistant to a wide range of chemicals, acids, alkalis and cleaning agents.

ECO FRIENDLY
Made from sustainable materials and 100% recyclable at the end of its life cycle.

TERMITE & PEST RESISTANT
Unaffected by termites, fungi and mold.

STRONG & STRUCTURALLY STABLE
High strength and rigidity ensure excellent structural stability and load-bearing performance.

AESTHETIC & VERSATILE
Available in a wide range of colors, textures and finishes to suit modern architectural designs.

BUILT TO PERFORM. MADE TO LAST.

Phenolic panels are engineered for high performance and reliability in the most demanding applications.

Smart material for stronger and better spaces.

Overlay (Decorative Surface)
Durable, decorative layer available in various colors and textures.

Decorative Paper
Impregnated with melamine resin for design and color.

Kraft Paper Layers
Impregnated with phenolic resin for strength and durability.

Back Layer
Provides balance and surface stability.

WHY CHOOSE PHENOLIC?

- Excellent performance in high-traffic areas
- Ideal for wet, humid and corrosive environments
- Low maintenance and easy to clean
- Long service life and cost effective
- Sustainable and environmentally responsible

IDEAL APPLICATIONS

- Toilet Doors & Partitions
- Lockers & Changing Room Systems
- Exterior & Interior Wall Claddings
- Laboratories & Clean Rooms
- Office Furniture & Wall Panels
- Public & Commercial Facilities

PHENOLIC MATERIAL – PERFORMANCE YOU CAN TRUST.

KEY FEATURES

WATER & MOISTURE RESISTANT
Non-porous surface prevents water absorption and is ideal for wet and humid environments.

HIGH DURABILITY
Resistant to impact, scratch, abrasion and wear for long lasting performance.

HYGIENIC & EASY TO CLEAN
Non-porous surface inhibits bacterial growth and ensures easy cleaning and maintenance.

FIRE RETARDANT
Meets fire safety standards for low flame spread and smoke emission.

UV & COLOR STABILITY
Excellent resistance to UV rays and fading, keeping colors vibrant for years.

CHEMICAL RESISTANT
Resistant to a wide range of chemicals, acids, alkalis and cleaning agents.

PRODUCT STRUCTURE

PROTECTIVE SURFACE
Transparent, hardening top layer for superior resistance to wear, impact and scratches.

DECORATIVE SURFACE
High quality decorative paper available in a wide range of colors, finishes and textures.

KRAFT CORE
Multiple layers of kraft paper impregnated with phenolic resin for exceptional strength and stability.

BACK SURFACE
Decorative or balancing layer for dimensional stability and moisture resistance.

WHY CHOOSE TRESPA?

- Over 60 years of proven performance in buildings worldwide
- Engineered and manufactured in Europe to the highest standards
- Extensive collection of colors, finishes and textures
- Ideal for exterior cladding, interiors and high traffic areas
- Low maintenance and long service life
- Sustainable production with environmental certifications (ISO 14001, PEFC™)

Designed for a better tomorrow.
